

EXAMPLE STRANGER

Esfyazza

Esfyazza's number is 4. She looks like a slight, pale woman with long, jet-black hair. Her hair continuously undulates around her as if she was underwater and she has full-black eyes that resemble a shark's. Her supernatural gift allows her to move through the air as easily as walking and she may hold her breath for hours.

Her fighting style is demonic, her magic style is demonic, and her social style is deceptive. On her left hand is a simple silver wedding ring and she carries a demon memory-stone. She wears a loose, flowing garment similar to a sari, and her feet are bare.
